## HISTORY OF THE ASSOCIATION OF JUNIOR LEAGUES OF AMERICA

The Junior League represents a serious endeavor on the part of young women to become active and constructive factors in the communities in which they live, to be intelligent citizens, and to assist in promoting human welfare. In addition to providing the member with channels of work and training for volunteer service, the Junior League helps her to realize two vital concepts: (1) that she is not an onlooker, but is herself a part of the community; (2) that the community, in turn, is not an isolated unit but part of the nation and of the world.

It was in 1901, at the beginning of a new era for American women, that the first Junior League was organized in New York. At that time Mary Harriman (Mrs. Charles Carey Rumsey) and Nathalie Henderson (Mrs. Joseph Swan) realized what might be achieved if a group of young women were encouraged to take a more active part in some form of active service to their own neighborhoods through the settlement houses and other organizations in existence at the time.

Soon similar organizations to that in New York were formed in various other of the large cities—Boston; Brooklyn; Portland, Ore.; Baltimore; Philadelphia, and Chicago. In the spring of 1912 six of the seven Leagues then in existence held their first national conference in New York City. In 1921 the Association of the Junior Leagues of America, Inc., was founded by the thirty Leagues then in existence. Mrs. Willard Straight (Mrs. Leonard K. Elmhirst) was elected president and a Board of Directors was appointed and instructed to draw up a constitution.

After 1921 the Association grew rapidly until, in 1923, there were sixty-three Leagues. In order to establish a closer contact between the Leagues and the Association, the country was divided into six territories and in each a League member was appointed regional director to act as liaison officer between the Leagues of the region and the Association and to serve on the latter's Board of Directors. Now there are twelve regions, in each of which the Leagues elect every second year a member to serve as their regional director.

At the time the Association was first formed most League activity was in the realm of social work but the Board of Directors, realizing the opportunities which would eventually offer themselves to Junior Leagues, set down in the constitution the social, economic, educational, cultural and civic fields as those in which Junior Leagues should interest their members.

Gradually the Leagues realized that a benevolent "doing for others" was not enough, that they must form a partnership with professional community workers to effect the improvement of conditions. To do this required knowledge. As evidence of this the first course for provisional members was established in 1921 and such a course, which includes an examination of the various forces at work in the community, has been a prerequisite for active membership since 1927. Originally League projects were

large enterprises—convalescent homes, day nurseries, curative workshops and the like. It was discovered, however, that to support these undertakings a disproportionate amount of time and energy often was going into money-raising to the exclusion of the educational process of volunteer service. Today where Leagues have projects the recommended type is one in which the demonstration element is present, the choice being based on the needs of the individual community in the light of the interest and money-raising capabilities of the League.

The League's realization of the need for expert guidance in their welfare activities soon led to the establishment of a trained social work staff at the Association's offices. Members of this staff were available for visits to Leagues to study the local situation and give advice. Similar service was then made available for Children's Theatre, Arts, Ways and Means, and Publicity. The Association also publishes the *Junior League Magazine*, issued monthly to each Junior League member. At the present time the Association has 181 member Leagues, 173 in the United States proper, one in Honolulu, one in Mexico City, and six in Canada, comprising a total of some 60,000 members.

## HISTORY OF THE WINSTON-SALEM JUNIOR LEAGUE

The local League was organized in 1923 by about forty of the girls and young women of Winston-Salem with Mrs. Thurmond Chatham as president. We were the 46th League to be admitted to the Association, and the first in North Carolina.

During the second year, under the presidency of Mrs. Paul Montague, our League adopted the point system, and sponsored a pre-natal clinic, which, at the time, was the only one of its kind in North Carolina.

In 1925, with Mrs. Kenneth Mountcastle as president, we brought Will Rogers and the de Reschke quartet to town, opened a gift shop, and began a training course for Provisional members.

During Mrs. Fay Huntley Spencer's (now Mrs. Edwards) administration we undertook the financing of our Hospital for Incurables.

In March, 1928, Mrs. Charles Long became president and on the fifteenth of that month we opened a Beauty Parlor. On May fifteenth we had Paper Day. In this same year the Arts and Interests and Children's Play Committee was formed.

In 1929 Mrs. Ralph Hanes was elected president and was instrumental in starting our monthly Newssheet with Miss Dell Norfleet as its first editor.

In 1930-31, under Mrs. Elsie Hines Norfleet's (now Mrs. Charles Siewers) leadership, we became more nationally minded with respect to the Junior Leagues of America, and began to take a more active part in community affairs as well. We helped to organize the Civic Music Association, began our yearly assistance to the Community Chest Drive, opened a Rag Market (later the Thrift Shop), and initiated Occupational Therapy classes in our hospital.

With Mrs. James Hanes as president in 1932, work began on a placement system, and under Mrs. Linville Martin in 1933, we put the system into effect.

From 1934 to '35 with Mrs. James Hanes serving her second term as president, the League's most important work was the continued operation of the Hospital for Incurables.

In 1935, under Mrs. W. H. Sprunt's presidency, the Winston-Salem Play Group was chosen to represent the medium-sized Leagues at the Children's Theatre Conference in Baltimore.

In March, 1936, Mrs. W. K. Hoyt was elected president. During her term of office we employed a Professional Placement Secretary, and the League as a whole became more familiar with the needs of the community. On June 1, 1937, after the opening of the Forsyth County Hospital and the satisfactory placing of all our patients, the Hospital for Incurables was closed.

In the spring of 1937, we assisted in the organization of the Mental Hygiene Society of Winston-Salem. This society asked the League to finance a Child Guidance Clinic for a demon-

stration period, and on November 1, the Clinic was opened in the League's Hospital Building. Through professional Placement secretaries we were able to give specialized training to our volunteers.

In 1938, Miss Aurelia Plumly (now Mrs. Ralph Spaugh) was elected president. The League, at a cost of \$1,200 per year, continued to sponsor and finance the Child Guidance Clinic, which was under the supervision of the Mental Hygiene Society. Our projects included assistance at the Christmas Exchange, the new Hall of History, and the presentation by Jr. Programs, Inc., which we brought to town. The chief undertaking, however, was the bringing to the community of four New York Dramas of the Contemporary Theatre Series, from which a profit of \$5,000 was made.

With Mrs. A. S. Johnson as president in 1940, the Child Guidance Clinic was moved to new quarters, reorganized, and became affiliated, through its director, with the Bowman Gray School of Medicine in this city. The play group was most active and received national acclaim for its excellent work. Acting on advice from Mrs. Dingman, Secretary of Ways and Means of AJLA, our system of budgeting was revised and a plan for maintaining separate accounts for Administrative and Community Program funds was put into effect. A plan was worked out for conservative spending of the surplus over and above a contingency fund.

In March, 1941, Mrs. Linville Martin was elected to serve as Director of this Region for a two-year term.

The League joined with other interested community groups in forming the Children's Theatre Board, whose purpose is to provide a year-round program of entertainment for the city school children. The League is represented on this Board by the Children's Theatre Committee chairman and two other members of the committee. The Board is responsible for the promotion, financing, and transportation of the children to the entertainments it sponsors. The League's major production became a part of the Board's yearly series, and the League ceased the annual trouping of a smaller play to the city schools.

During the presidency of Mrs. Thomas Rice, from 1941-43, many changes took place. The program of planned expenditure of surplus, advised by the AJLA Staff, was begun: \$3,000 was donated to the Red Cross War Fund, \$1,000 was given to the Library Fund of the Winston-Salem Teachers College, and \$5,000 was given to the Family Service Agency for the establishment of a Child Placing Agency.

A Radio Institute, conducted by Miss Gloria Chandler, AJLA Consultant, began our entrance into the cultural field, and the League allocated \$4,500 to the Community Council for the development of the Radio Plan.

In 1942 the Director of the Child Guidance Clinic resigned, and no replacement was available. The Clinic was evaluated by a special committee which recommended that it be closed.

Mrs. Helen Lipscomb, of the Staff, conducted a Board Members' institute.

The League was very proud to have one of its members, Mrs. Linville Martin elected President of the Association of Junior Leagues of America. On March 1, 1943, the gift shop was sold to Miss McPhail.

During the term of Mrs. Irving Carlyle, 1943-44, the League began to feel the full impact of World War II. Many of the younger members were away with their husbands, who were in service, while those at home devoted the major part of their volunteer service to war-related activities, such as Red Cross, Bond Sales, Rationing Board, and USO.

A Cultural survey of the community was made by Miss Virginia Lee Comer, AJLA Arts Consultant, which revealed a need for the development and expression of the creative arts.

From 1944 to 1945 Mrs. George Walker served as president. The League voted to support the Radio Council for a three-year period, allocating \$2,500 per year. A donation of \$1,000 was made to the Wachovia Historical Society to provide a part-time Director for its Museum. The League gave \$600 to the Piedmont Festival and assisted in the sale of tickets to its performances.

In 1945 the Beauty Parlor was sold because the League deemed it unwise to operate a shop in competition with local business, and its community service program was amply protected by a contingency fund.

In a Staff visit for the Arts Program, Miss Comer advised: "Conditions in Winston-Salem indicate that the League would be wise to strengthen already established agencies; i.e., museum, library, recreation department, public schools . . . "

In 1945-46, upon the return of many members who had been away during the war, the League expanded its program under the leadership of Mrs. Thomas Moore, and, on the advice of AJLA, donated the major part of its surplus to the community. Three Staff visits, two in connection with League finances, and one for the Arts program, helped to get the plans under way.

A portion of the invested surplus, consisting of four hundred shares of Reynolds B stock, was turned over to the community: fifty shares to the City-County Hospital; fifty shares to the War Memorial Building Fund; one hundred twenty shares to the Mental Hygiene Society; one hundred eighty shares to the City Library.

The Junior League Hospital Building was deeded to the Winston-Salem Foundation.

The League brought Mrs. Chester Marsh to the community for a three-year demonstration as Arts and Crafts Director for the City Recreation Department, which made space available for a Workshop to carry on the activities.

From 1946-47, Mrs. Bowman Gray served as president. During the summer a story-telling program was conducted at the Wachovia Museum. In January, a Staff visit for reorganization of the Thrift Shop resulted in improved management of this project, and we were advised to appoint a project-finding committee.

The League continued its financial support of the Radio Council and the Arts and Crafts program. A survey of fifty-six groups in the community revealed interest in the establishment of an Arts Council, and \$7,200 was put aside from surplus for the employment of a Community Arts Coordinator when the Council proved its readiness to handle the money. The remainder of the invested surplus was donated as follows: \$1,800 to the City Library; \$950 to the Radio Council.

The League contributed \$500 to the Piedmont Festival and sponsored a concert of the newly-formed Winston-Salem Civic Orchestra (now the Winston-Salem Symphony) by selling tickets and handling newspaper and radio publicity. \$750 was given the Leisure Time Division of the Community Council for a coordinator of youth activities at the Fairview Playground, which is in an area not served by any other organization.

During the two-year term of Mrs. Robert Lawson, from 1947-49, a change in the Arts and Crafts Program took place. Half-way through the three-year demonstration, the City Recreation Department withdrew its support when the building which housed the Department was sold. The advice of AJLA was sought, and a visit from the AJLA Arts Consultant, Miss Virginia Lee Comer, helped to clarify the situation. In the letter of recommendation following her visit, Miss Comer advised that a strong Board with committee structure be formed for the Workshop. An Interim Committee, composed of League members and others interested, was formed for the Workshop. This committee organized the Arts and Crafts Association, which assumed responsibility for the administration, financing, and promotion of the Workshop. The League agreed to pay the salary of the Director for a three-year period ending October, 1950, and pledged its support to see the program stabilized in the community.

Further advice in Miss Comer's letter of recommendation was that: a Board Members' Institute be held; we considered ways of lightening the president's job in order that she might be able to serve for two years; our League should adjust its thinking concerning projects, and should know the workings of any agency with which we have a project in the future.

The League voted to contribute \$500 per year for a two-year period toward the support of the Children's Programming Committee of the Radio Council, and also loaned \$1,200 to this committee for the transcription of a radio series, "Storytime."

Mrs. Albert Butler, Jr., was president during the year 1949-1950, when our financial commitments to the Radio Council and to the Arts and Crafts came to an end. The League voted to continue its yearly appropriations of \$3,000 to the Arts and Crafts Association through March 1951, \$250 to the Piedmont Festival, and \$250 to the Winston-Salem Symphony.

Working with the Piedmont Festival and the Chamber of Commerce, the League helped to organize the Arts Council.

A Project-Finding Committee was appointed.

During the term of Mrs. Clifton Pleasants, 1950-51, the League voted to release the gift of \$7,000 which it had held

in trust for the Arts Council, and in August 1950, Miss Gertrude Elliot was employed by the Council as Coordinator.

The request of the Arts and Crafts Association for further support of the Workshop in the amount of \$3,000 was granted through March 1952. \$250 was given to the Winston-Salem Symphony Association. The Junior League play, "Indian Captive," was presented to the county school children at the Mineral Springs Auditorium.

From 1951-52 Mrs. John Whitaker served as President. The Arts Council established an Art Center by moving its member groups, including the Workshop, into a building owned by the Winston-Salem Foundation.

The Project-Finding Committee received a letter from the Arts and Crafts Association, requesting that "... the Junior League consider association with the Arts and Crafts on a permanent basis." The Board turned down this request for permanent support and recommended to the League that it ask the Association to make a specific request.

The League was advised by AJLA to evaluate, to continue Project-Finding, and to have a League Administration Institute. A comprehensive evaluation of the League's administration and program was made. Mrs. Emma Buettner, General Program Consultant from AJLA, conducted the League Administration Institute, and upon her advice a Manual of Procedure was compiled for the use of Board members.

The county school children were brought to Reynolds Auditorium to see the Junior League play, "Tom Sawyer."

After careful consideration, the Board voted to release the Children's Programming Committee from its obligation to return to the League the \$1,200 loaned it for the purpose of transcribing "Storytime."

On March 31, the League's financial contribution to the Arts field was completed through coordination of fund raising for the Arts groups under the Arts Council.

The League entered its 30th year with Mrs. Frank Borden Hanes as president. The Project Finding Committee was re-activated, and after long and hard studies in the many fields open for our sponsorship, a Children's Program emerged as the most popular field for a project. After further studies the League voted a three-fourths majority for a Children's Activities Program at the new City-County Library. A letter of contract was drawn up between the Library Board and the Junior League, allocating \$1,500 to the Program the first year, and limiting the League's sponsorship to three years.

The 30th anniversary was celebrated with a Mardi Gras Ball on February 6. Commemorating the League's 30 years of volunteer service, the Public Relations Committee published a Brochure interpreting the functions and purposes of the League.

The Thrift Shop was budgeted for \$5,000 to assure the League of sufficient funds to undertake its new project, maintain a contingency fund and continue its membership in local organizations. To help raise this money, a fall Fashion Show was

held and a Strip for Thrift dance during the anniversary celebration. Both of these functions netted the Thrift Shop approximately \$1,000 and they were able to turn over to the League in March, approximately \$4,800.

"Beauty and the Beast" was presented to the City School children in March.

The League continued its interest in the Arts Council by voting to give them \$500 to assist in financing their expanded program and again voted to support the Arts Follies one hundred per cent.

At the annual conference in May, Region V was divided and Region XIII formed. We thereby became a member League of Region XIII.

In 1953-54, under Mrs. Edward F. Heefner's leadership, the League launched the Children's Activities Program at the City-County Library and sponsored two art exhibits. These projects were made possible by The Thrift Shop profits of \$2,850.92. \$1,300.00 profit was used for renovations at the Thrift Shop.

Diversified Placement was achieved by volunteers serving on the above projects as well as our Children's Theatre Play, "The King's Balcony," a Thrift Shop Fashion Show and Commission Contest, projects of the Radio-TV Council, Arts Council, United Fund Divisions, and Recreational Therapy done in the Children's Wing of the Baptist Hospital.

The League was initiated into television by sponsoring a thirty-minute program on our Children's Activities Program at the Library, and being a co-sponsor of a program on the United Nations.

The Public Relations Committee honored Mr. Ralph Hanes and Mr. Meade Willis for their work at the Library by presenting certificates of appreciation to them, and books to the Library in their honor. The Public Relations Committee was also responsible for the making of smocks which are being worn by League volunteers.

A new system, whereby only the members of the Admissions Committee voted for League candidates, proved successful. Also inaugurated was a new system of the Executive Committee appointing the Nominating Chairman, rather than the Nominating Committee electing her.

For the first time, advertising paid for over half of the cost of printing the League Newssheet; and the League Administrative Fund balanced without dipping into surplus funds, with \$1,700.00 being added to our Contingency Fund in the Community Account.

A special Survey Committee answered the AJLA Questionnaire and suggested reducing the budget by reducing the staff of consultants to a limited number of general consultants, and eliminating many of the special consultants.

Mrs. Edward S. Heefner served again as our President in 1954-55. When it became necessary to vacate the Thrift Shop, a very successful Rummage Sale was held by the League. The two operations netted a total of \$6,602.53.

The Children's Activities Program at the Library completed its second year of operation with a good record of achievement.

The Public Relations Committee had a luncheon honoring the people in the community who have helped with the League program.

A record player was purchased for the Hospital Therapy Project at the Baptist Hospital.

League Volunteers counted over a thousand attendance at the Art Exhibit which was sponsored by the League.

Four performances of the "Camel with the Wrinkled Knees" was given by the Children's Theatre Group.

The TV Committee presented a series of shows, geared to elementary school children, based on material found in the Children's Room at the Library.

Volunteers also worked on the Arts Council and its Follies, in the Health and Welfare field, YWCA, Scouting, and on 38 different boards in the community.

The Provisional Course was streamlined, By-Laws were changed to conform with AJLA By-Laws, advertising in the News-sheet was increased thus cutting the cost of printing it, we served as one of the hostesses at the Sedgefield Regional Conference, and had a Mardi Gras Dance for our own membership which now totals 373.

Mrs. Royall Brown served as President in 1955-56. This was a year of projects—past, present, and future. Our three-year activity program for children was completed at the Public Library. During that time, \$4,500 was spent for film, records, exhibits, furniture, and programming. Many volunteers helped to make this a success.

Recreational Therapy at the Baptist Hospital was enlarged. Five hundred dollars was used to decorate and equip a room for their use. One hundred dollars is budgeted for operating expenses. The chairman of this committee was given a Board position.

In the cultural field the League is continuing with outstanding art exhibits at the Library. Three were shown, concurrently, to 1,500 people in the community. One hundred forty League girls acted as hostesses. Financial support has been promised to the Arts Council, a former League project, to help equip their new home.

Our future project, voted on unanimously, is in the field of health and welfare. We will fill an unmet need in the community by giving the salary for a primary education teacher for the handicapped at the Children's Center. Volunteers are already serving there.

During the year 62 members held 108 positions on 32 different community boards.

The Rummage Sale was most successful, with a net profit of \$5,493. Every active member was required to help in some ca-

capacity. This was our sole source of income for our Community Trust Fund.

The Children's Theatre Committee presented "Cinderella" to 2,100 city school children, kindergarten through third grade. Seventy-two League girls worked together to make the play a success.

Two By-Law changes were voted on. A 25-cent penalty was added to fines in arrears. The date of accepting provisionals was changed from February to April.

Upon recommendation of our Association President, the League participated in the local Civilian Defense Program. Eighteen girls took a training course given by the United States Army and volunteers worked with the Ground Observer Corps regularly.

On the social side, a public relations luncheon was given for people in the community who had helped the League in various ways during the year. Within the League we had a luncheon in June, a barbecue in October, and a dinner dance in February.

During this year Mrs. Agnew H. Bahnson, Jr., served as president. This was a year devoted primarily to strengthening already existing projects and adding to those services. Through the funds made available to the Children's Center, Miss Evelyn McNeely, a primary education teacher, was hired, to prepare the children there scholastically for entrance into the public schools when they are physically ready. The Children's Center Committee also organized a young adult program for the handicapped which they sponsor in co-operation with the recreation department. This was the first time anything had been done in the community for this group. In the other phase of activities in the health field, the playroom at the Baptist Hospital and the therapy program there, emphasis was placed on improving the program to provide better mental therapy. Forty-eight volunteers filled regular placement positions in these two projects, both of which meet with ever increasing and loyal support from the membership as well as from the staff involved in both localities.

Interest continued in the field of the arts with over 50 League volunteers filling positions with Arts Council groups, 70 members staffing League's spring art exhibition, "From Cloth of Gold to Printed Cotton" at the library (one of two presented by the League during the year), and with 42 members participating in the Children's Theatre Board production of "Heidi." Children were used in the production for the first time this year. This addition met with enthusiastic response from the community and the play was seen by over 4,000 children.

The placement program continued to be broad and volunteers were to be found throughout the community in responsible positions. Eighty-nine community board positions were held by members this year.

We were invited to be the hostess organization to take charge of the reception for special guests following the "Welcome Wake Forest" community celebration in September.

Our regional director, Mrs. Charles Gibbs, from Charleston, South Carolina was the guest of our League in December.

In addition to the regular June luncheon the League voted to have two other luncheons, one in December and one in March.

In February a formal ball was held at the Forsyth Country Club with 261 persons present.

The Rummage Sale made a net profit of \$6,150.60. For this each member was scheduled to work 4 hours marking and sorting and 4½ hours during the sale.

To study the Rummage Sale picture, attendance records, the fine system, and other related subjects, an Advisory Planning Committee was set up. As a direct result of this, "coffee meetings" were held in February to discuss in small groups a questionnaire which had been prepared for this purpose. From these meetings came many excellent criticisms and suggestions to be used in present and future planning.

During the year 1957-58, Mrs. Eben Alexander, Jr. served as president. The Junior League again contributed \$5,000.00 to the Children's Center, providing the school with a kindergarten teacher. Miss Evelyn McNeely is making a splendid contribution and we are grateful to have the opportunity to make her work possible.

Children's convalescent therapy was continued at the playroom at the Baptist Hospital.

An exhibit of the Hammer Brothers Collection of fine paintings was held at the library; 3,700 persons attended. Two original paintings were purchased to be hung in the new Children's Center building.

The Children's Center Committee again sponsored the recreation group for handicapped adults now called "The Poke Easy Club." It is the only group of its kind in this area.

Every member took part in the Rummage Sale, which netted a profit of \$6,794.44. This amount was placed in the Community Trust Fund, from which the above activities are financed.

Nine regular meetings were held, including one evening meeting for the entire membership, and two luncheon meetings. A formal ball was held in January.

The Vice President was in charge of monthly evening meetings inaugurated this year; they are held for professional members and others unable to attend the morning meeting. Programs were coordinated with those of the regular meeting.

Placement interviews were reorganized, with interviews held in May, in a central location, during a one and a half day period. Volunteers began working in September instead of October. This plan was effective from the standpoint of the agencies as well as the Placement Committee and the membership. The membership continued its interest in the health, welfare and cultural fields. 101 community board positions were filled by League members.

"The Red Shoes" was presented to approximately 4,000

children. For the first time, the entire membership took part in the production, in some capacity, resulting in increased enthusiasm for the Children's Theatre program.

Coffee meetings were held in February, for the purpose of discussion and expressions of opinion on League activities and future plans.

A brochure describing Admissions policies of our League had a two-fold purpose: to be used as a basis for discussion at a regular meeting, and to be used as a reference when proposing candidates. Copies were sent to sustaining members.

The Public Relations Committee published a brochure describing the community activities of the Winston-Salem Junior League. It is attractive and readable, has been sent to sustaining members, other interested persons in this area, and to every League in the Association. This committee also held a luncheon in December, honoring those persons in the community who had helped with League program within the past two years.

The By-Laws committee revised seven by-laws, and recommended that a change in wording of an Admissions by-law be voted on at the May meeting.

A Project Finding Committee was organized. As our commitment to the Children's Center will end July, 1959, it is necessary to begin looking for needs in the city which the Junior League may be able to meet.

A Transfer Committee was organized, to welcome transfers and help them become assimilated into our League more rapidly.

# ANNUAL REPORTS OF BOARD WINSTON-SALEM JUNIOR LEAGUE

## PRESIDENT

The President's Report presented at the Annual Meeting was based on slides depicting the year's program. Since it cannot be used as this yearbook report, the accomplishments of each committee will be described in alphabetical order. Detailed reports by each committee chairman follow.

Nine regular meetings were held this year. The Vice-President conducted an evening meeting each month for the professional members and others unable to attend in the morning. The Vice-President worked with the chairman of the Education Committee in planning programs similar in subject to the morning meeting. These meetings were of value, stimulating increased interest from professional members.

The Vice-President also represented the League at a number of community agency meetings.

The *Admissions Committee* met weekly from January to March, studying carefully all proposed candidates for admissions. The sixteen girls who were invited to membership are an outstanding group and reflect the fine work done by this committee.

The *Advisory Planning Committee* again sponsored coffee meetings in February. The membership was divided into groups of twenty for the purpose of discussion and expressions of opinions on League activities and future plans. The ideas brought out provided the incoming administration with a guide for its future planning.

The *By-Laws Committee* met often and long, resulting in a revision of six by-laws plus a recommendation for a change in wording of an admission by-law change to be voted on at the May meeting.

The *Children's Center Committee* reported regularly on the progress of the new Children's Center Building and assisted with the reception held when the beautiful new building was officially opened. Again, the Junior League contributed \$5,000 to the Children's Center, providing the school with a kindergarten teacher. Miss Evelyn McNeely is making a splendid contribution and we are grateful to have the opportunity to make her work possible.

This committee continued working with the "Poke Easy Club," a recreation group for handicapped adults. This group is aided financially and leadership-wise by the Junior League through this committee. It is the only organization of its kind in this area.

In January the League meeting was devoted to a consideration of the CHILDREN'S THEATRE, its history and present status. The membership voted to participate one hundred per

cent in the production of this year's play, "The Red Shoes." As a result, promotion, production, costuming . . . each facet of the play was "well manned," and the play was a success. Reynolds Auditorium was filled for both productions Friday and Saturday afternoons. (The latter being a great relief because no one knew what to expect of producing a play on that day.)

A questionnaire concerning Children's Theatre was distributed at the Coffee meetings, and a discussion was held. Results were not entirely conclusive, a majority of League members felt, however, that the League should continue activity in some phase of Children's Theatre.

The primary activity of the *Cultural Arts Committee* was the sponsoring of an exhibit at the Public Library of the Hammer Brothers Collection. This is a collection of Dutch, Flemish, German and Italian paintings of the 17th and 18th Centuries. The event was wonderfully well promoted, resulting in great interest in the community, with 3,700 persons attending. Eight League members served as guides, thereby enabling school classes to attend.

Promotion was also carried out for a library sponsored exhibit in November.

Bob-Ed Hanes, chairman of the committee, reported regularly to the League on events of cultural interest in the city.

The committee purchased two original paintings to be hung in the new Children's Center.

The programs at regular meetings have been unusually interesting and well balanced. Leiba Blount and the members of the *Education Committee* planned imaginatively and carefully, basing their selections on requests made by the membership at coffee meetings last year. The membership asked for a program on the subject of League admissions policies; an excellent brochure on the subject was developed. The brochure had a two-fold purpose: to be used as a basis for discussion at the meeting, and to be used as a reference by active and sustaining members when proposing candidates. This brochure has been used by other Leagues as a basis for developing ones for their use.

Topics of programs were varied and interesting; local community situations (hospital question, juvenile court, recreation bond issue), contemporary art, League education. At the coffee meetings held in February, many comments regarding the favorable reception of programs this year were written into the questionnaires. This committee deserves credit for thoughtful and conscientious planning.

Average attendance at meetings was 9% higher than in any recent years. This increase was due to two factors, the night meetings and the excellent programs at regular meetings.

The playroom at the pediatric ward of the Baptist Hospital was again staffed and maintained by Junior League volunteers. Approximately twenty-five girls took part in this activity. The playroom was staffed five mornings a week from September

through May by the *Hospital Therapy Committee*. During the summer months, fifteen provisionals helped the regular volunteers so that the room could be staffed three mornings a week. A workshop was held in September in order to train the volunteers for working with the children. A plaque was hung in the playroom by the hospital giving recognition to the League for service rendered.

The social events of the year were enjoyed by many active and sustaining members. Our thanks are due the *Hospitality Committee* for two lovely luncheons and a beautifully decorated, gala Junior League Ball.

The *Newsheet* was unusually interesting due to the addition of photographs each month—new provisionals, fashion show, rummage sale, transfers, etc. Special features included articles written by sustaining members.

Advertising rates were increased by one-third with no cut-backs resulting.

As a house organ, bringing news of this League and AJLA to the membership, the *Newsheet* has been most effective.

The *Magazine Committee* faithfully sent Tidings to AJLA. (By the way, 33 babies were born to League members, including one set of twins.) Articles written by Ann Rush about our Art Exhibit, "The Poke Easy Club," and Mary Garber's recognition by the Associated Press are being considered for publication in the Magazine. An article about the Junior League's participation in the Children's Center was published in the November-December issue.

The *Nominating Committee* once again used the straw ballot, distributed to the membership in November, as a basis for the selection of new officers. Delegates to the Regional Conference in Greenville in January, and to the National Conference in June, 1958, were nominated by the committee. As always, election of nominees for incoming admissions and nominating committees was handled through this committee. One new policy was made, that delegates to the Regional Meeting be selected by the committee and approved by the Board rather than being elected by the membership.

Jane Clay and I attended the Annual Conference in Coronado, Calif., in May, and in September I attended President's Council in Charlotte. Each was a stimulating and enriching experience which provided a good foundation from which to work for the rest of the year.

In addition to the two delegates from Winston-Salem to the Regional Meeting in January, Winston-Salem was represented by five observers.

The *Placement Committee* held interviews in May instead of in September as had been done in the past. It was felt that by so doing the membership and agencies could better plan their activities. Interviews were held in a central location for one and a half days. We are grateful to Peggy Watlington for turning her house over to the League for this purpose; it was an ideal place to hold interviews, because there was enough room

that each interviewer was assured quiet and privacy. The Placement Chairman was able to keep a master placement chart, kept up to the minute, thereby avoiding the duplications of placement which had so often happened in other years. A nine-month volunteer year was another result of this change as volunteers began working in September instead of October. The committee and membership felt that this method was smooth and efficient and 'want it continued.

As always, the volunteer program was diversified with continued interest in health, welfare and cultural fields. Fifty-five league members held 101 community Board positions.

The *Provisional Committee* again planned a year long course for provisional members. Nineteen girls successfully passed the course which covered League and Community education.

The *Public Relations Committee* sponsored a luncheon, held at the Robert E. Lee Hotel in December, honoring those persons in the community who had helped with League programs during the past two years. The committee and those committee chairmen who had invited guests acted as hostesses. It was a delightful party and our hope is that the guests enjoyed themselves as much as the hostesses did!

The newspaper publicity was excellent, with League activities being given space on the front page of the Sunday Woman's Section three times. A number of feature articles were also run.

The committee published an attractive and readable brochure depicting community activities of the Winston-Salem Junior League. The brochure was sent to sustaining members, business people in the area, other interested citizens and to every League in the Association. Copies will be taken to the Conference in Washington to be distributed there.

The Rummage Sale once again topped former records with a net profit of \$6,794.44. The most gratifying aspect of this undertaking was that every member of the League took part and seemed to enjoy working on this project, which is the one money raising event which we now undertake.

A *Project Finding Committee* was organized during the year, which is in the process of laying the groundwork for study of suggested projects. As our commitment to the Children's Center will end July, 1959, it is necessary to begin looking for community needs which the Junior League may be able to meet.

A *Transfer Committee* was organized to welcome transfers and help them become assimilated into our League more rapidly. One luncheon was held for this group in the spring, more are planned for the near future.

There have been nine transfers to the Winston-Salem League, six transfers from ours to other Leagues, four were granted non-resident memberships, two granted inter-League memberships and two resignations were regretfully accepted.

I want to give "special thanks" to the following:

To Eleanor Johnson, the Sustaining member on the Board.

To Katherine Bahnson, Alice Brown and Bob-Ed Hanes for

their good advice, good judgement and time whenever I needed it, which was often.

To Lucy Scott for the mountains of secretarial work which she did for the League.

To Elizabeth Trotman whose good taste and reporting ability have resulted in excellent newspaper publicity for the Junior League, not just this year but over a period of time.

To Betty Yount for performing so cheerfully and capably the task of taking reservations for the dance and the luncheon meetings. Not one reservation went astray.

To Ann Rush for taking color slides for use in the report which I gave at the Annual Meeting, and to Betty Gulledge for making the ones she took for the Newssheet available to me.

To the officers and members of the Board for fine cooperation and spirit.

To each of you, the membership. Wilmot Gibbs, former Regional Director, said to the Charleston League, and I quote it to you: "You are the reasons for the League's existence, you are responsible for its accomplishments, you are the person who insures its continued success."

In getting to know each of you better, I feel more privileged than ever to have been given the opportunity to be your president. You are a remarkably talented group with endless abilities. There really isn't anything you can't accomplish when you put your minds to it! Your contributions to community life in Winston-Salem have been great; your potential is even greater.

Thank you for this experience which I shall remember with pleasure. My congratulations to you for electing such a fine new president. My best wishes to Lucy Wilson for a gratifying and rewarding 35th Anniversary Year!

Respectfully submitted  
Betty W. Alexander

## VICE PRESIDENT

Due to recommendations from former Vice-Presidents, this year the Winston-Salem Junior League decided to have required evening meetings for its employed members. These meetings were held on the same day as the regular meetings. All members of the League could attend either meeting most convenient for them. A program for each meeting was planned which tried to be similar to the morning League program.

In May the program was on Admissions and a new Admissions brochure was distributed and discussed. In June Annual Conference reports were given by the League delegates who attended. In September Mrs. Mason, Director of Visits in Old Salem, gave the program. In October a summary of an address by Mr. Chester Davis on the local hospital situation was presented. In November a film was presented by the Forsyth County Health Department followed by an address by Dr. Lloyd

Thompson. In December a tape recording of a talk by Mr. Jim Rush on our local recreation needs which he gave in the morning, was used. At the combined January-February meeting the program was on the Regional Conference reports from the Greenville, South Carolina conference. In March the meeting was held at the Winston-Salem Gallery of Fine Arts. Mrs. Horace Du-bose discussed contemporary art and the gallery program.

At each meeting the minutes of the morning meeting were read. Attendance was taken and reported to the Assistant Treasurer.

I feel this closer work with our employed members is of value to everyone and keeps them better informed on League activities.

No voting was done in the evening meetings as it is advised by A.J.L.A. that only one meeting (the morning meeting) conduct business. However as our Annual meeting in April is held at night, this does give the employed members an opportunity to vote on the Admissions Committee.

I attended several Community meetings for the President and attended the Regional Conference in Greenville, South Carolina as an observer.

Respectfully submitted  
Lucy Wilson

Respectfully submitted,  
Dot M. Morehead

## ASSISTANT TREASURER

The Junior League of Winston-Salem held nine regular meetings in the year 1957-58. Nine evening meetings (one of which, in April, was combined with the regular meeting) were also held for professional members. The attendance at these combined meetings was as follows: April, 155; May, 132; June, 131; September, 143; October, 120; November, 124; December, 137; January, 143; March, 118.

The bills for dues were mailed to each member on April first. All bills for fines were sent out the week following each meeting.

The assistant treasurer and the corresponding secretary, Mrs. Robert Morehead, worked closely during the year checking members in changes of address to facilitate all correspondence with League members.

Respectfully submitted,  
Mary Ann P. Parrish

## ADMISSIONS

The Admissions Committee met during the fall and winter and the following girls were elected to membership:

Mrs. John Bremer (Jane Dudley), Mrs. Edwin Brenegar (Frances Morrison), Mrs. Harry Carpenter (Kenan Cassteen), Mrs. James Eller (Doris McMillan), Mrs. John Eller (Aurelia Gray), Mrs. Marvin Ferrell (Deese Taylor), Miss Joanne Glenn, Mrs. Richard Guthrie (Peggy Deuschle), Mrs. John Harden (Marion Lemly), Mrs. Alan Harris (Elizabeth Heekin), Mrs. J. ## ADVISORY PLANNING

The Advisory Planning Committee of 1957-58 organized "coffee meetings" again this year. A total of 147 members attended the eight discussion groups, seven of which were held in the morning and one at night, for the benefit of professionals and other members unable to attend a morning coffee. The object of these small meetings was to give to each member an opportunity to express her opinion on various League activities. The main subjects for discussion were Project Finding and Children's Theatre.

A great deal of information was obtained from the questionnaires filled in by the members at these meetings. This information has been compiled into a single report, copies of which have been passed along to the committees involved.

I would like to take this opportunity to thank the members of my committee for their splendid help and cooperation.

Respectfully submitted,  
Eleanor B. Reid

## CHILDREN'S CENTER

For the second of the three years promised, the League paid the salary of Miss Evelyn McNeeley, the primary teacher at the Children's Center. Miss McNeeley has certainly made a place for herself there and seems indispensable now. The League can be proud of the good work that it is accomplishing through her.

In January the Children's Center moved to its wonderful new building. League members acted as hostesses for a reception to celebrate its formal opening.

In addition, six League members serve on the Board of Directors of the Children's Center, two of whom are on the Executive Committee.

Our recreation program for handicapped adults, or Poke-Easy Club, as the members have elected to call themselves, is well established now. Our co-sponsor, the City Recreation Department, has faithfully sent the reminder cards to members each month and sent a representative to all meetings. There is an average attendance of fifteen handicapped people at each meeting. They look forward to it a great deal as there are many phone calls back and forth before each meeting. Among our most successful meetings was a picnic at the home of one of the members and the Christmas party to which the Poke-Easy Club invited the North Carolina Paraplegics Association. The members, with League girls helping, planned decorations, refreshments, and entertainment. We were very proud of the attendance of eighty-five, most of whom were from out of town. Other activities of the Poke-Easy Club included swimming, all kinds of games, basketweaving, bridge lessons, etc. The ten dollars a month which the League voted to the project we have used for simple refreshments, small prizes, a nice door prize each month, and quite a collection of permanent equipment, games, some colored slides, etc.

The committee has not only given their time but also much enthusiasm and personal interest. The YWCA, where we have held most of our meetings, has been most accommodating. A sampling of people all over town have helped in different ways with this program. It has been a great pleasure working with them.

Respectfully submitted,  
Ann Badgett

## CHILDREN'S THEATRE

In January the Junior League meeting was devoted to Children's Theatre and a skit was written and presented by the

committee. A brief history and report of the present state of Children's Theatre was given by the chairman. Also in January the committee sent five members of the back-stage committees to talk to the provisionals about Children's Theatre and to hold mock try-outs for them.

For the coffees in February, the Children's Theatre committee prepared questionnaires and a discussion on the future possibilities of Children's Theatre. The results of the questionnaires were inconclusive except for the fact that a majority of League members seemed to feel that the League should be active in some phase of Children's Theatre though they are not agreed on what phase.

The *Red Shoes*, a Robin Short adaptation from the fairy tale by Hans Christian Anderson, was presented on March 14 and 15 to an audience of 4,000 children by the Junior League Children's Theatre Committee under the sponsorship of the Children's Theatre Board. There were 6 League members in the cast, 14 in dances, and 26 children in dances. Forty-five League members worked on back-stage committees, 10 worked on publicity and 38 members sold tickets in the schools. The rest of the League members acted as ushers at the two performances. The entire League should feel justly proud of its efforts for the play was a great success. From the play readers who chose the play months before it was given to the members of the back-stage crew who packed away the last of the scenery after the last performance, everyone worked with enthusiasm. My co-chairman, Emmy Lou Parrish, deserves very special thanks for doing so many jobs so capably. Many heart-felt thanks too, go to all the members of my committee and all the members of the League who gave so much of their time, effort and thought to make this project a success.

Marjorie G. Beardsley

## CULTURAL ARTS

The private collection of the Hammer Brothers was shown at the Public Library from September 10 through September 30, 1957. This was an outstanding exhibit of Dutch, Flemish, German, and Italian paintings of the 17th and 18th centuries. Mr. Harry Hammer was guest of honor at the Opening Night party.

The newspaper carried a full page feature in the Journal and Sentinel, spot announcements were used on all the radio stations, and WSJS-TV interviewed Mr. Hammer.

Cards announcing the exhibit were sent to civic clubs and to colleges in the area. Mimeographed material containing descriptions of many of the paintings was distributed to all elementary school teachers in the city and county and to the art teachers in the high schools and colleges. This was also done for the library exhibit, Executive View, in November.

Paid attendants were on duty for two weeks and League volunteers were used for one week. This year, League volunteers

acted as guides for Library exhibits. This enabled school classes to attend in the mornings by appointment. There were eight guides.

The chairman represented the League at the monthly board meetings of the Arts Council.

I would like to thank the members of this committee, as well as other League volunteers who worked on this project, for their splendid cooperation and effort.

Respectfully submitted,  
Bob-Ed Hanes

## EDUCATION

The Education Committee, composed of eight members and the Chairman, did the general planning for the year; and then each member worked out the details of one program. The Chairman worked out with the Vice-President a similar program for each night meeting.

The Committee met twice, in March and September, and were polled twice by phone.

May—This double-barreled program involved a lot of people. A placement skit highlighted the needs and opportunities, in time for placement interviews.

An Admissions Brochure was read and distributed and discussed. This had been prepared by a sub-committee representing both Education and Admissions. These were mailed to all sustaining and absent members.

June—A brief word was said at the luncheon in appreciation of the girls who were going sustaining.

September—Mrs. Elizabeth Mason spoke on the handcrafts of Old Salem, and showed some arcrafts. The meeting was held in the gallery at the Library.

October—Chester Davis summarized Winston-Salem's hospital needs and potentialities. A lively question and answer period followed.

November—Judge E. S. Heefner, Jr. spoke on the great need for a Domestic Relations Court. In informal discussion afterwards he amplified on some of the community's problems and needs among juveniles.

December—Mr. James B. L. Rush, Editorial Director of the Winston-Salem Journal and Sentinel, summarized the local recreation facilities, and explained the Recreation Bond Issue. Here, again, lively discussion was held. This talk was tape recorded successfully and played back for the night meeting.

January—A skit highlighted the crisis in our Children's Theater program, and the Children's Theater Chairman explained the situation fully.

February—Coffees were held, with full discussion of possible new projects, and future plans for Children's Theater, among other things.

March—Claude Howell, from Wilmington, spoke on "Understanding Contemporary Art." Quite a few pictures from the Winston-Salem Gallery of Fine Arts were displayed and discussed. This talk was also tape-recorded for use at the night meeting, which was held at the Gallery.

Charlotte Blount

## FINANCE

The Finance Committee, composed of the incoming and outgoing Presidents and Treasurers, met in March this year to draw up the 1958-1959 budget. It was the decision of this committee that \$1,500.00 of full paid shares in the Winston-Salem Savings and Loan Association should be purchased to partly replace \$5,000.00 in shares that we had cashed during the year, thus bringing our contingency fund for the Community Trust Account to \$5,000.00. Committee expenses for the past year, as well as recommendations by committee chairmen for financial requirements for the coming year were studied and a tentative budget was evolved, subject to approval by the Board and the League.

Respectfully submitted,

## HOSPITAL THERAPY

Chairmen of the various committees met in April to discuss the duties of each and to plan a summer program.

In May, Mr. Reid Holmes, Hospital Administrator, had a plaque hung in the playroom which reads as follows: "Playroom decorated and Recreational Program maintained by the Junior League of Winston-Salem."

Committee Chairmen met again in September and planned a two evening workshop for all volunteers which was held in October. Mrs. Lamar Northrup demonstrated many media which could be adapted to the hospital children. The second meeting was a joint one with members of the Winston-Salem Pilot Club. Dr. Weston Kelsey spoke to us about the proper approach to and the importance of diversion for the sick child.

Immediately following this meeting the Winston-Salem Pilot Club took over our night visitation entirely. They are all professional girls and very much interested in this work.

In January, committee chairmen met again to make suggestions for the incoming group in March.

Twenty-five regular volunteers have staffed the playroom 5 days a week during the winter months. In the summer, 15 provisionals helped the regular volunteers to staff the playroom three days a week.

Many thanks to each girl on the committee. It was a real pleasure to work with you and know you better.

Respectfully submitted,  
Helen Peterson

## HOSPITALITY

The 1957-1958 Hospitality Committee's first function of the year was to serve refreshments at the annual meeting in April.

At the May League meeting a questionnaire was given to all League members so that they might check what they would like in the way of hospitality for the year. This proved to be of great help to the Hospitality Committee in their planning.

The June luncheon was held at Forsyth Country Club. There was a short business meeting followed by lunch.

Luncheon followed the regular December meeting held at Forsyth Country Club. Decorations were provided in the form of fruit trees on the luncheon tables. Sherry and cheese were served prior to the luncheon.

The annual Junior League Ball was held January 31st at the Forsyth Country Club. Decorations built around a magnolia tree theme provided a pleasant setting for the music of Dean Hudson. Hot hors d'oeuvres were served throughout the evening.

All the members of this committee have been most cooperative and only through their help were we able to have a successful year.

Respectfully submitted,  
Nancy B. Port

## MAGAZINE

The Junior League Magazine is still published every other month. Announcements of 23 births, 3 marriages and one death have been sent in to the "Tidings" editor between April 1, 1957 and February 1, 1958. Changes of address have been sent in to the Circulation Department upon receipt of these changes from the Corresponding Secretary.

An article about the Junior League's participation in the Children's Center, submitted by the previous Magazine Chairman, Joy Bennett, was published in the November-December issue.

The other article on our work with the Pediatrics Department at the N. C. Baptist Hospital was returned.

A story on the League's exhibit of paintings at the City-County Library with the coordinating work with the schools was submitted on December 29, 1957. It has drawn some signs of interest from the Editor but no assurance of publication.

Courty Creech's "Conclusions" from the November "News-sheet" was submitted but was returned as unsuitable for the Magazine.

On the fire as this goes to press are a story on Mary Garber, recognized nationally recently by the Associated Press, and the Poke-Easy Club.

Magazines have been kept on file as well as duplicates of "Tidings." The idea of League members informing the Magazine Committee of their own vital statistics was a total failure. The grapevine continues to be the best method despite the fact that it could be quite inaccurate. Inaccuracies do occur, but not always at the local level.

Many thanks are due to committee members Mary Louise Northington and Elizabeth Trotman who have done a wonderful job in keeping with our League's vital statistics and other items of noteworthy news.

Respectfully submitted,  
Ann Rush

## NEWS SHEET

During the year 1957-58 nine issues of the Newssheet were prepared and mailed to all members of the Winston-Salem Junior League, to all Leagues in Region XIII, the Regional Director, and advertisers. Six copies of each issue were sent to AJLA. Twelve Leagues outside of Region XIII who have mailed copies of their Newssheets to the Newssheet Committee at various times during the year received copies of the January-February issue.

Special features of the year were the President's Letter, several feature articles written by sustaining members—"Summer Reading Ideas," Sarah Clancy; "These Things I Believe," Cortlandt Preston Creech; and "Christmas in Salem in the Early Days," Mary Gordon Spaugh. Two articles described the varied interests of the sustaining members. Articles were written to welcome and introduce newcomers who transferred to the Winston-Salem League. Photographs and snapshots were used in each issue throughout the year—a photograph of the president accompanying her letter, photographs of the provisionals, of sustaining members who wrote special articles, and snapshots of transfers and of League members pictured in their varied activities. The January-February issue was printed in two colors—the regular black print plus a red "Red Shoes" drawing to attract attention to the annual Junior League play and a red valentine for Junior League husbands.

One of our best advertisers closed his business and one discontinued advertising, so four new advertisers were added, and

in January the rate was increased from \$2.00 an inch double column to \$3.00 an inch double column. This is the first increase in rates since advertising was begun six years ago, and it was felt necessary to take care of the increased cost of printing and the additional feature of pictures. The advertising has continued to be very successful, with no cut-backs evidenced because of additional fees. Several cuts used recently is a new feature for advertising.

Each provisional has worked on an issue during the year.

The Newssheet brings news of the local League, the community, and AJLA, and tries to stimulate interest in all these fields.

Respectfully submitted,  
Alaine Neely Ogburn

## NOMINATING

The Nominating Committee met periodically during the year to administer its duties. In November, a straw ballot was prepared and presented to the membership. It proved to be a great help to the committee in preparing the slate of League Officers for the coming year. Each prospective officer was visited in order to get her permission to run. The slate, having been completed, was mailed to each member two weeks prior to election in February.

Two delegates and two alternates for the Regional Conference were elected by the Board of Directors in December. Nominees for the National Conference were presented to the membership in March. Two delegates and two alternates were elected.

At the request of the Regional Nominating Committee Chairman, a quiz regarding her committee was given. The results were tabulated and forwarded to her. Our League scored quite well.

Nominees for the incoming admission committee were elected in March with final voting in April. The incoming Nominating Committee was also elected at this time.

Our Committee functioned smoothly and effectively. The members were most cooperative and conscientious.

Respectfully submitted,  
Alice M. Brown

## PLACEMENT

After plans had been formed by the Placement Committee, a workshop was held on May 2 to familiarize the Committee with the techniques of interviewing. Agency interviews were then conducted to find out the volunteer needs in the community. This year all placement interviews were held at one place, in the home of a League member, during the period of two days. By holding interviews in May, instead of September as before, volunteer work by the membership was started in the agencies and organizations the first part of September. This change seems to have

been very satisfactory to the members as well as the agencies where we are working.

As always our volunteer program is quite diversified with interest in the health, welfare, and cultural fields. The following is a summary of the volunteer services given by league members during the year:

Four girls helped with the moving into the new Children's Center and two girls organized their library. Five girls acted as hostesses at parties for Handicapped Adults. Twenty-five girls did recreational therapy with convalescing children at the Baptist Hospital. Three girls told stories at the library, one catalogued records, and one arranged the display. Two girls taught cooking at the Red Shield Boys' Club. Twenty-nine members work with either the Boy or Girl Scouts.

Six girls worked at the Arts Council. Three members did plane spotting for Civil Defense. Twenty-one volunteers worked with the Radio-TV Council. Fifteen members did various jobs with the Red Cross. At Old Salem sixteen members were hostesses or helped out in some capacity. Twelve volunteers worked at the Woman's Exchange and eleven helped out at the YWCA in many jobs.

Working as Art Exhibit hostesses were thirteen girls; eight drove for the Golden Age Club; and thirty-four members worked at the Toy Shop. On our Typing Committee we had fifteen members and fourteen telephoned for the League. Forty-one members worked on the Symphony Drive under the chairmanship of a League member. In the Spring when the Children's Theatre play was given, the membership agreed to work together on this project.

In addition to the above statistics, the League has 55 members holding 101 Board positions.

Along with church circles, PTA work, bazaars, and the many other things which come up during the year, the League has been very busy and has cooperated in all activities. During the Rummage Sale last October the membership had almost 100% participation. Only a few girls were unable to work because of illness.

I would like to thank the members of this committee for their assistance and the entire membership for their cooperation throughout the year.

Respectfully submitted,  
Sarah F. Loman

## PUBLIC RELATIONS

The Public Relations Committee met in May to make plans for the coming year. The committee of five was made up of the publicity chairman of the Rummage Sale, and from other members who were given specific jobs to be done during the year.

In December a luncheon was given at the Robert E. Lee hotel honoring Provisional speakers, members of the Press, Hull-

Dobbs managers, and others in the community who had helped the League in various capacities. The luncheon was thoroughly enjoyed by all the guests.

In February a new Junior League brochure was produced. Pictures of present League activities were included with a brief description under each. The brochure was well received by the board and all the League members. The brochure was sent to all Junior League presidents in the United States and Hawaii, members of the Chamber of Commerce, sustaining members of the League, and other interested clubs.

The scrapbook was kept up to date. Thirty articles about Junior League activities and twenty six articles about "League members in the news" appeared in the newspaper during the year.

I want to thank each member of this committee for executing their jobs so well.

Respectfully submitted,  
Katherine I. Cox

### PROVISIONAL

For the second year, it was decided to have the Provisional Course to cover the entire year. The basic course in the AJLA Handbook was followed, which included field trips or lectures on the following: History of Local League and Association of Junior Leagues of America, a film on Parliamentary Procedure, Arts and Crafts Association, Children's Center, Old Salem, Arts Council, Recreation in Community, Public Housing Projects, Winston-Salem Health Department, City-County Government, Board of Aldermen's Meeting, Private and Public Welfare, Community and Industry Planning, Facilities of R. J. Reynolds That Benefit Employees, and City Schools of Winston-Salem. Each girl worked on the Newssheet, worked in the Children's Ward at the Baptist Hospital, worked on the Rummage Sale, and helped with the play. The girls also attended a Junior League Board Meeting, attended a concert at one of the local colleges, and went on the placement tour of local agencies.

Sixteen girls accepted invitations to become Provisionals; two girls that were unable to take the course last year joined this group, and we had one transfer from Greensboro that was able to complete course. We have had four other Provisional transfers this year that will take the course this coming year.

The Provisional Committee is happy to announce that nineteen girls were taken into active membership on April 1, 1958. We have enjoyed working with these enthusiastic girls, and we know they will make splendid members of the Junior League.

Respectfully submitted,  
Margaret P. Wade

### RUMMAGE SALE

The Junior League Rummage Sale was again held at Hull-Dobbs Company on October 18 and 19, 1957. All marking, collecting, and sorting was done at 1206 Reynolda Road.

Merchants, manufacturers, and sustaining members were contacted during the summer for donations, which were picked up in September.

On September 17, the League sponsored a fashion show by Montaldo's, with admission by bundles of rummage.

All marking was done by a committee of 12 members working 3 hours per day for  $3\frac{1}{2}$  weeks. Every active and provisional member was required to work  $4\frac{1}{2}$  hours during the sale.

At the conclusion of the sale, all merchandise that had not been sold was given to the Goodwill Industries.

Personal letters of thanks were sent to all merchants and manufacturers who had donated merchandise and properties, and to all those who had given of their time and their services.

The total sales amounted to \$7,157.34, with expenses at \$362.90, giving us a net profit of \$6,794.44.

My grateful thanks go to the entire League, and most particularly to my committee, for making the 1957 Rummage Sale such a success.

Respectfully submitted,  
Anne B. Strickland
